MARKETING TECHNOLOGY SPECIALIST

Denise is a Marketing Technology Specialist on a mission to make sure entrepreneurs and business owners receive maximum benefit from sharing their content online.

She shines a light on the simple steps to make their blogs, podcasts, videos, and websites findable online. Denise believes findability is important because *"if people can't find you, they can't do business with you"*.

Denise specializes in using the language of her audience to present technical concepts and ideas. Her goal is to remove the tech-speak and confusion so her audience leaves with a clear understanding they can act on.

Email me to set up a zoom meeting and we can discuss your needs to see if I can help you or your group.
